Introduction.

Volkswagen is renowned for offering cars with superb levels of build quality, refinement and safety. It can also offer business customers a wide range of cars to help reduce the day-to-day costs of running a fleet, whilst reducing their impact on the environment.

This guide provides full details of Volkswagen models which have a CO₂ figure of 160 g/km and below which is in line with the Government's swing towards 'greener' initiatives. The new 2009 legislation favours those cars with low CO₂ emissions which took effect from 1 April for corporation tax and 6 April for income tax.

Cars first registered from 1 April 2009, with CO₂ emissions of 111 g/km to 160 g/km inclusive attract a 20% write-down allowance (WDA), while those with emissions above 160 g/km attract a WDA of 10%. For cars with CO₂ emissions of 110 g/km or less, a 100% first-year allowance applies, with the allowance available until March 2013.

Cars already on-fleet at these dates will continue to be administered under the previous price-based system until disposal, with a transition period expected to be in the region of five years imposed from the date of inception of the new system.

BlueMotion represents the most efficient model in each of Volkswagen's passenger car ranges and combines a series of small changes to the vehicle's body, drivetrain, engine and even the tyres in order to reduce strain on the engine and, in turn, reduce emissions and increase fuel economy.

The new Golf BlueMotion (5 door) is the only car in its sector which has a CO₂ emission of sub-110 g/km, meaning that a business can benefit from 100% of the first-year allowance applied.

For further information on Volkswagen and the environment, along with fuel saving tips for running your Volkswagen, please visit www.volkswagen-environment.com

Alternatively, call our dedicated Business Centre on 0800 38 989 38 to discuss your fleet requirements.

† The ABI insurance group is the recommended insurance rating set by the Association of British Insurers.

Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd's syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ The CO₂ figure is estimated and has yet to be confirmed. Please consult your Volkswagen retailer for full details.

± Please note these models are only available from stock and are not available to factory order.

New Golf Plus – Standard equipment highlights.

Standard items of equipment highlights S

Exterior

- Black front air intake and radiator grille
- Body-coloured bumpers and door handles
- Body-coloured door mirrors with integrated indicators
- Body-coloured side bump strips
- ‘Cherry red’ rear light clusters
- Full size wheel trims
- Halogen clear headlights with integrated indicators, range adjustable and permanent daytime driving lights
- Heat insulating green tinted glass
- Roof spoiler, rear
- Visible twin exhaust tailpipe (not 80 PS, 90 PS or 105 PS engines)
- 6J x 15 steel wheels with 195/65 R15 tyres

Interior

- Chrome-ringed air vent surrounds
- Upholstery – ‘Zone’ cloth

Safety

- ABS (Anti-lock Braking System) with HBA (Hydraulic Brake Assist)
- Curtain airbag system, for front and rear seat occupants
- Disc brakes, front and rear (front ventilated)
- Driver’s and front passenger’s airbags with passenger’s airbag deactivation switch
- Driver’s and front passenger’s whiplash-optimised head restraints
- Electronic engine immobiliser
- ESP (Electronic Stabilisation Programme) including EDL (Electronic Differential Lock) and ASR (Traction Control)
- Front seat side impact airbags
- Isofix child seat preparation (for 2 rear child seats)

Function

- Air conditioning, ‘Climatic’ semi-automatic control
- Auto hold function (DSG models only)
- Cup holders, front x 2, rear x 1
- Driver’s seat height adjustment
- Electric windows, front and rear
- Electrically heated and adjustable door mirrors
- Exterior temperature gauge
- Glovebox, illuminated, cooled and lockable
- Heated rear windscreen
- Height and reach adjustable steering wheel
- Instrument lighting, white adjustable panel illumination
- Interior light with delay
- Luggage compartment cover
- Luggage compartment light
- Luggage compartment load lashing points x 4
- Multifunction computer (Midline)
- Power-assisted steering, speed-sensitive
- RCD 210 radio/MP3 compatible CD player with 4 speakers, front
- Reading lights, front x 2, rear x 1
- Rear lights incorporating LED technology
- Rear centre armrest, with 2 cup holders, forms a table when folded down
- Rear screen wash/wipe with intermittent wipe
- Remote central locking with 2 remote folding keys
- Remote interior fuel flap opener
- Sliding and folding rear seat
- Space saving spare wheel
- Speedo and rev counter, electronic odometer, trip, service interval display and fuel gauge
- Split folding rear seats, split 60:40
- Storage compartments in doors (for 1.5 litre bottle in front doors)
- Storage tray on dashboard
- Three-spoke steering wheel
- Windscreen wiper with intermittent wipe and 4 position delay
